

Dispenser Installation Instructions

1 Using the provided key, turn the key clockwise to unlock the dispenser.

Remove the empty 1000mL GentleCare cartridge and dispose.

2 Take your new GentleCare 1000mL cartridge and remove the cap.

The cap should release with little effort.

Dispose of cap.

3 Slide the big thread on the head of the cartridge between the holding feet as illustrated left.

The nozzle should also fit easily into dispenser head.

4 Close the dispenser which should lock into place with the base.
